Omishi Magical Theater ~Risky Safety~

by Omishi Rei

Volume 01 Chapter 003
(Modern Momotarou Tale)

I'm Megijima Momiji,
a 16-year-old female highschool student
But I'm actually a descendent of a demon tribe
More-over, I've become the successor to grandpa as the leader of the demon tribe!
This is a troubling thing!!
Because we have a rival of destiny!

His name is Momotarou!!
In order to pass complete judgment on demons, he attacks people of demon descent
I fight in order to save them
But I've been thinking... why do we have to fight——?
——Or something like that

*Note: The Momotarou tale is a famous Japanese folklore about a boy named Momotarou who went off to fight demons...

Momotarou's "thoughts"...? The one fighting up to now was Momotarou, and his "thoughts" are bound to Wakatake-kun's destiny?
